## TO OUR WISCONSIN CONGRESSIONAL DELEGATION

**The Honorable Senator Herb Kohl**

**The Honorable Senator Russ Feingold**

**The Honorable 3<sup>rd</sup> Dist. Representative Ron Kind**

Re: In Support of the "Employee Free Choice Act"

Dear Sens. Kohl and Feingold, and Representative Kind:

This year, 2009, will mark significant changes in how unions and union organizing efforts are viewed nationally. Union Office Solutions, Inc., the nation's **only** 100% unionized office equipment and supply company, wishes to lend our wholehearted support to the Employee Free Choice Act.

As the C.E.O. of several all-union companies, I appreciate the **true value** of my unionized workers. In fact, our company sells **only** to unions and their affiliates. At Union Office Solutions, the phrase "Be Union-Buy Union" isn't just our motto, it's our **mission!**

We already have a **proven track-record of helping unions save money** on their office equipment. Now, in an effort to continue our no-nonsense policy of putting our 'money' where our 'mouth' is, we have created what we call the **UnionStar Program**. This Program allows us to contribute up to \$1,000 per location, to any union local or district lodge that purchases a digital copier or postage equipment through our company during 2009. This contribution is designed specifically for use in labor organizing activities sponsored by the purchasing union.

Contrary to most company owners, I believe that when they have something to believe in, like their union benefits, and someone who believes in them, as I do, our workers have no equal in productivity, experience, loyalty and enthusiasm. Now it's time for Congress to act to help spread this workers' 'gospel' as far and wide as possible.

Please keep our pledge in your heart as you come to vote on this issue, and cast your vote in support of the Employee Free Choice Act. It will be an act of pride!

Sincerely,

Rodney D. Eitland, President and C.E.O.
